

ALS AB-INITIO PILOT TRAINING

*DREAM OF THE SKIES?
LET ALS AB-INITIO PILOT TRAINING
TAKE YOU TO HIGHER LEVELS!*

START YOUR JOURNEY TODAY!

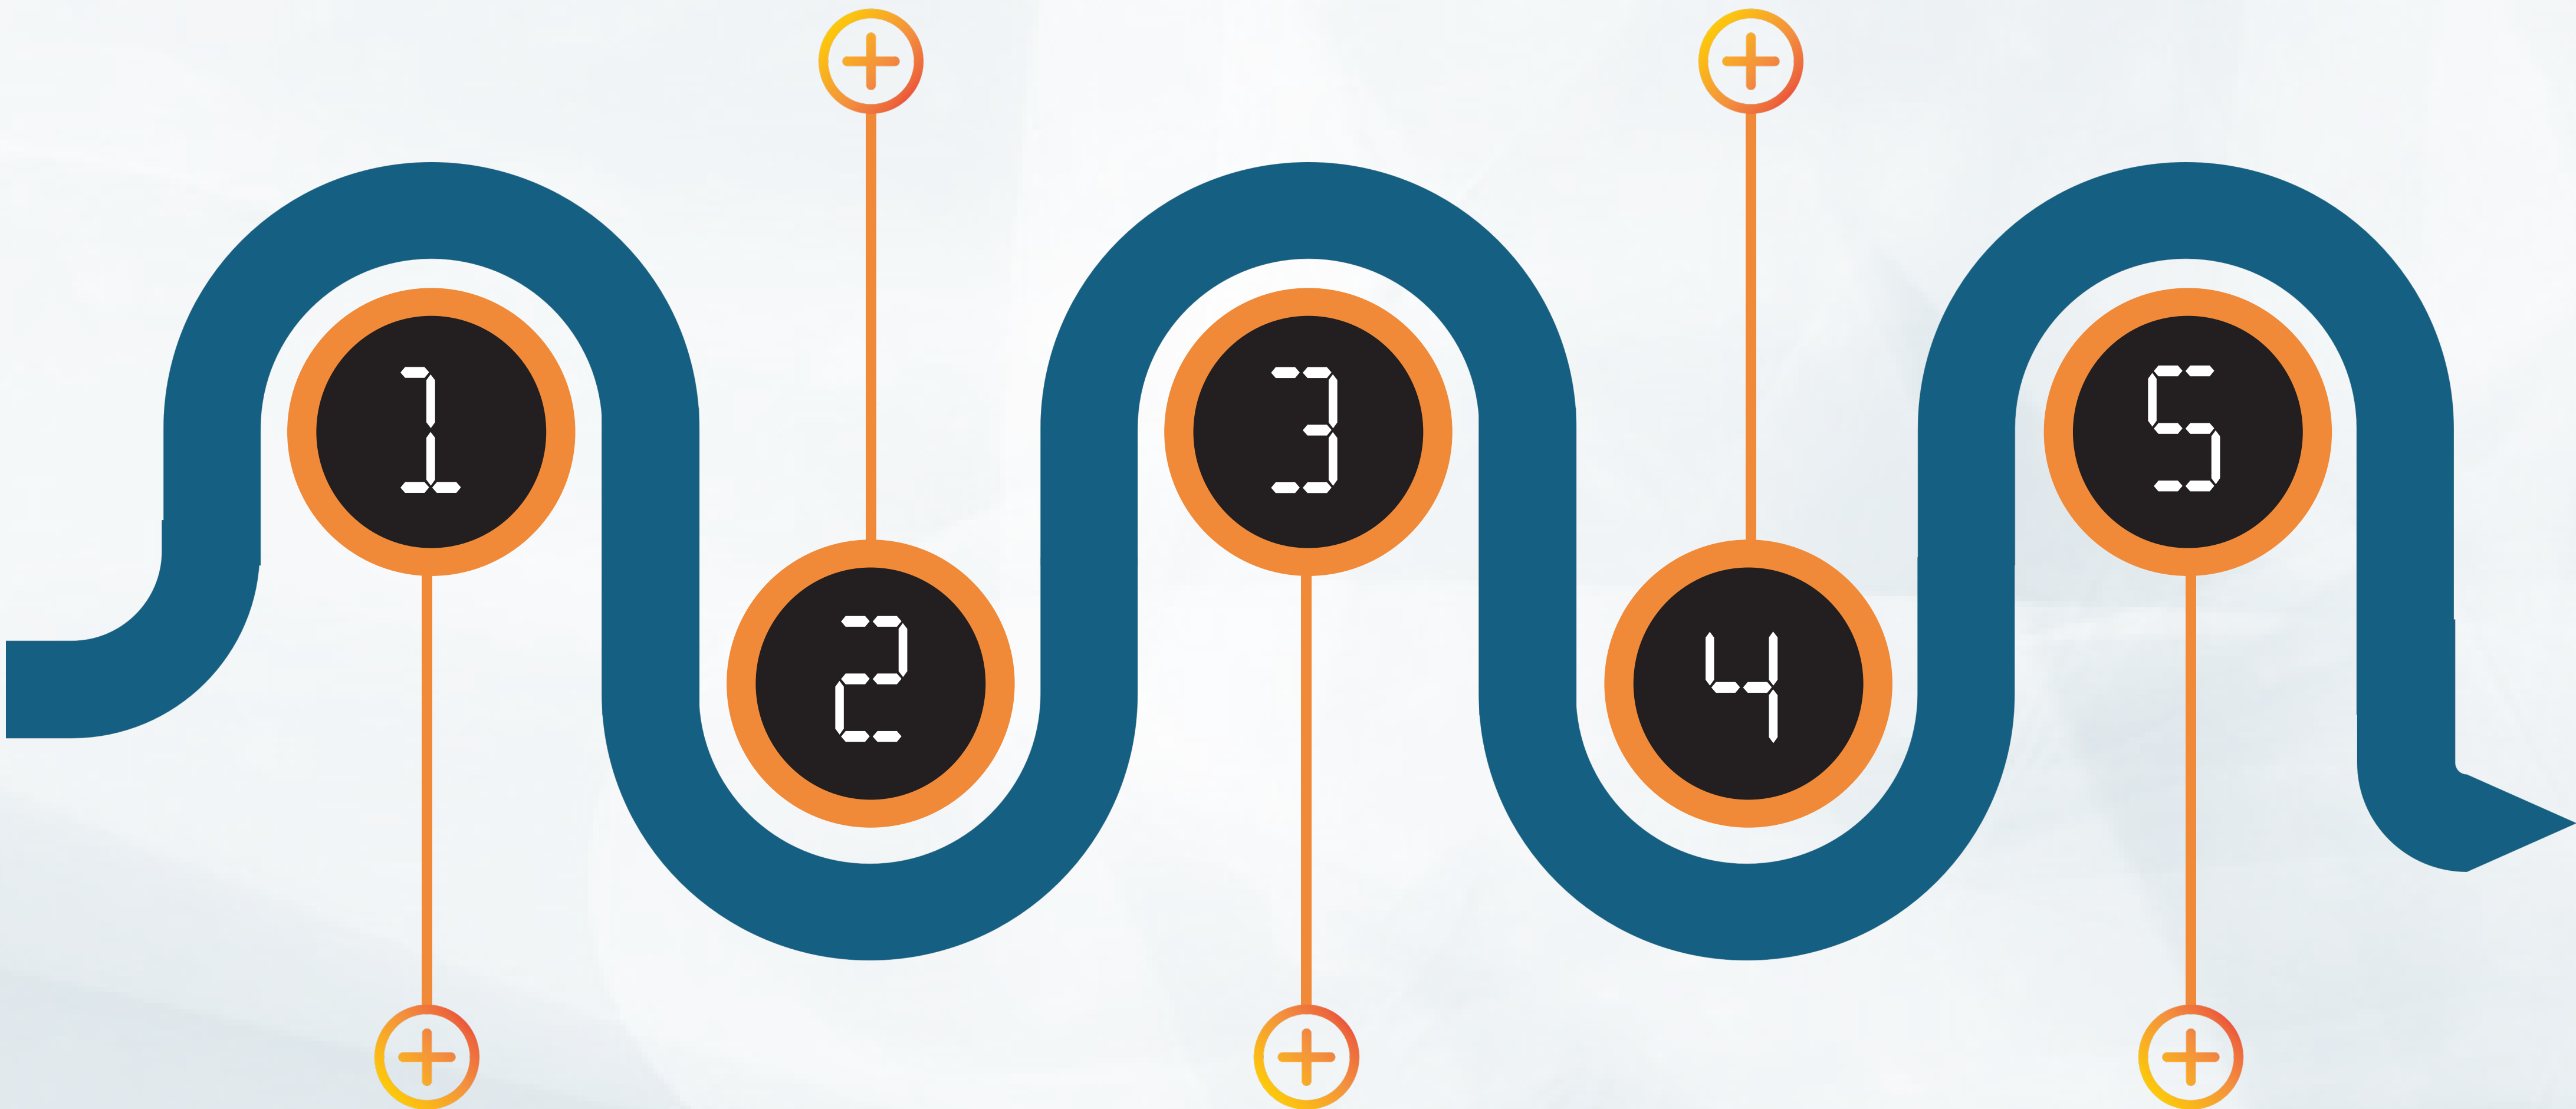

OUR AB-INITIO PILOT TRAINING PROGRAM

Calling all aspiring pilots! ALS Limited is thrilled to announce our exclusive Ab-Initio Pilot Program, designed to equip you with the skills and qualifications to become a First Officer.

The Ab-Initio Pilot Program consists of five (05) phases:

Private Pilot Training:
Master the fundamentals of flight.

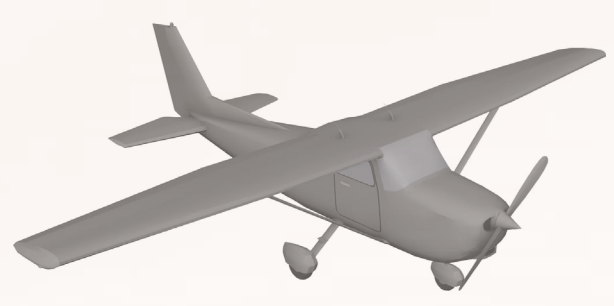

Multi-Engine & Instrument Training:
Gain experience with multi-engine aircraft and instrument flying.

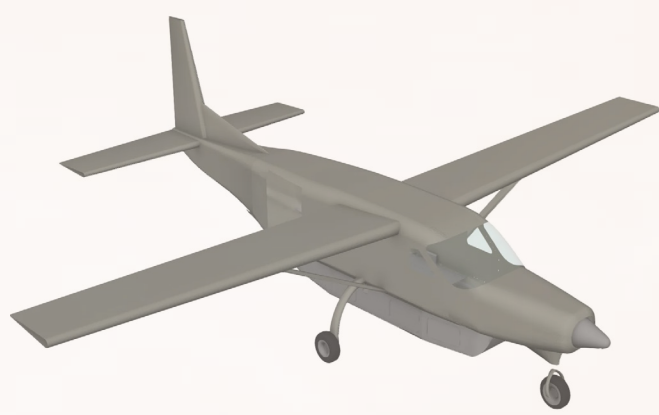

Interview Process:
Assess your suitability for the program through a series of tests and assessments.

Commercial Pilot Training:
Advance your skills and knowledge.

C208 Type Rating & Hour Building:
Qualify to fly the specific aircraft type used at ALS.

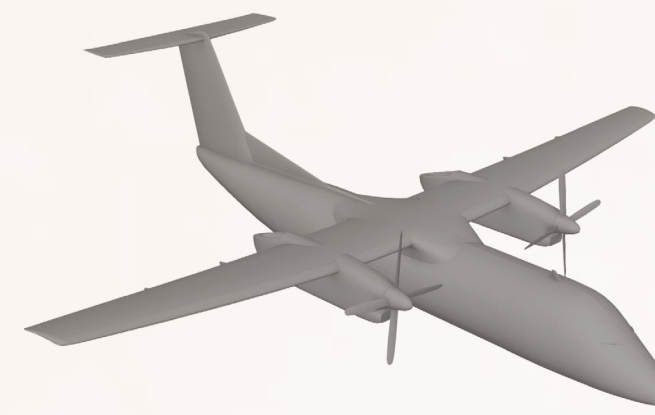

Cessna 172

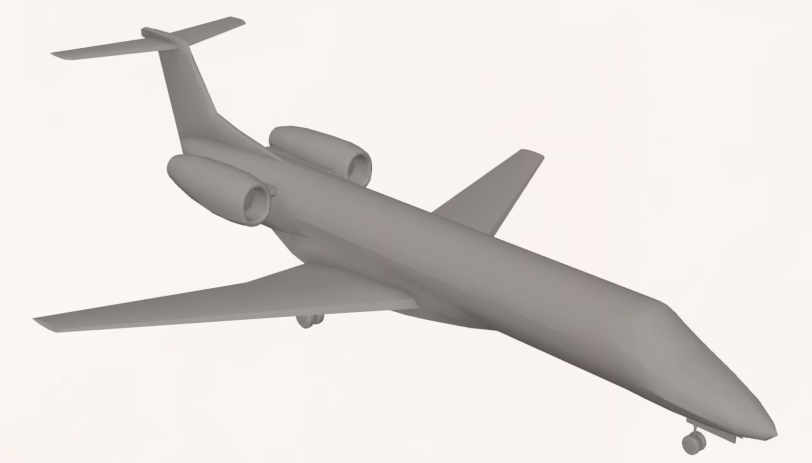

Cessna 208

Beechcraft 1900

DHC-8 200/300

ERJ-135/145

Why Choose ALS Limited?

Clear Path to Success:

Our structured program takes you from zero experience to First Officer in a well-defined five-phase program.

Experienced Instructors:

Learn from the best! Our program is led by seasoned flight professionals.

Job Opportunity:

Graduate with a conditional job offer as a First Officer at ALS Limited, subject to passing an internal assessment.

Investment in Your Future:

This self-sponsored program requires upfront payment for each phase of training.

Eligibility Requirements:

- ✈️ Passionate about aviation and eager to learn.
- ✈️ Minimum University degree (recognized institution).
- ✈️ Grade B average (or equivalent) on your your O’level/KCSE/GCSE or equivalent certification along with B grades specifically in Math, English, and Physics.
